Hi Dan,

Here's the Division letter that will be in the mail either today or early next week. Let me know if you have any questions. Based on our findings and State rules, we aren't going to be releasing additional bond this fall, but we will re-evaluate the site in late spring/early summer of 2014 to get an idea of how it's coming.

Here's the recommended seed mix (attached), as sent earlier this week.

Let me know if you have questions.

Peter
